Assessment Policies and Procedures

HSC Courses, Vocational Courses and Endorsed Course Guide and Assessment Policy

COURSE GUIDE AND ASSESSMENT POLICY

A. ELIGIBILITY FOR THE AWARD OF AN HSC

1. Study Of An Appropriate Pattern Of Study

To qualify for the Higher School Certificate students must satisfactorily complete an HSC pattern of study comprising at least 10 units, following on from the Preliminary pattern of study. Both patterns must include:

- at least six units from NESA Developed courses;
- at least two units of a NESA Developed course in English;
- at least three courses of two units value or greater (either NESA Developed or Endorsed courses);
- at least four subjects

To satisfy pattern of study requirements for the Higher School Certificate, a student may count a maximum of six Preliminary units and six HSC units from courses in Science.

2. Complete Courses Satisfactorily

A student will be considered to have satisfactorily completed a course if, in the Principal's view, there is sufficient evidence the student has:

- (a) followed the course developed or endorsed by the Authority
- (b) applied themselves with diligence and sustained effort to the set tasks and experiences provided in the course by the school
- (c) achieved some or all of the course outcomes
- (d) made a genuine attempt to complete course requirements
- (e) in addition to any other set tasks and experiences in any course, completed assessment tasks that contribute in excess of 50 percent of available marks.
- (f) sat for and made a genuine attempt at examinations

It should be noted that, as a result of absence from a course, the principal may determine that course completion criteria may not be met.

Students whose attendance is called into question will be required to prove to the principal's satisfaction, following a review of their performance, that they are meeting the course completion criteria.

B. ASSESSMENT GUIDELINES

1. General

Assessment tasks indicate achievement over a wide range of syllabus outcomes. Students will receive the following advice about assessment in each course before assessment begins.

- (a) the practical and written tasks, such as tests, assignments and projects, on which their assessments are to be based.
- (b) the weighting to be allocated to each task.

(c) an indication as to when the task will be held.

2. Notification Of Tasks

In addition to the schedule of assessment tasks, the college will provide adequate notice of the precise timing of each assessment task. Generally, at least two weeks' notice of the details of a task will be given and any change to the task that may occur.

NB If a student is absent from school for a day or a session it is the student's responsibility to check if any information relating to an Assessment Task has been communicated.

3. VET Mandatory Work Placement

As with all other courses, students undertaking VET courses may be deemed to have either completed or not completed course requirements. It should be noted that if a student fails to undertake any mandatory work placement component it may be determined that the student has not made a genuine attempt to complete course requirements. In this case the principal can indicate that the course has not been satisfactorily completed and the student may be issued with an "N" determination.

4. Completion Of Tasks

NESA hopes that, through the process of continuing assessment, it will be able to reward sustained effort on the part of senior students and sample a wider (and, therefore, more accurate) range of student attainments. A sound performance in assessment tasks over the Preliminary course also helps to prepare students for the actual HSC which will modify their school assessment. It should be realised that the assessment program places a responsibility upon students to complete the assessment tasks. At Wyndham College the following policies towards missed tasks have been determined.

- i. Students who **complete** all aspects of the assessment task and **submit it** on or **before** the due date are eligible for the full mark allocated for the task.
- ii. Students who **attend** an assessment task which is to be completed at school are eligible for the full mark allocated for the task.
- iii. Students who **fail to submit** an assessment task by the due date **must be given zero** if they have no valid reason.
- iv. Students who **fail to attend** on the specified date an assessment task which is to be completed at school **must be given zero** if they have no valid reason.
- v. Students who fail to submit an assessment task by the due date, but who have a valid reason (such as sickness or approved leave validated by appropriate documentation) are eligible for the full mark allocated to the task if they have completed the task. A medical certificate may not be accepted as excusing late submission of tasks **where the task was issued well in advance of the illness** and the medical certificate shows that the student was not incapacitated for a large part of that time. You should submit whatever progress work has been completed at that time e.g. drafts, plans, rough work etc. This will be assessed by the teacher and may be awarded marks. PLEASE NOTE: YOU MUST SUBMIT THE TASK ON THE DAY YOU RETURN TO SCHOOL.
- vi. Students who **fail to attend** an assessment task which is to be completed at school, but who **have a valid reason** (e.g. sickness) must be given an opportunity to do the task or an equivalent task at a later date. In exceptional circumstances it may be necessary to give a mark

based on the student's other assessment tasks. These students are eligible for the **full mark** allocated to the task.

- vii. Students who **submit** an **incomplete** task on or before the due date are to be allocated a mark. This mark is to be based on the proportion of the task completed. The task does **not** automatically receive a zero mark. As an example, if the task had six equally weighted components and a student attempted only three of these, that student would be eligible for up to 50% of the mark allocated to the task.
- viii. If a student believes factors beyond their control, e.g. sickness or family misfortune, have affected their ability to do their best on a task they may apply for an extension by seeing the appropriate Head Teacher at least 24 hours before the due date. **NO EXTENSION WILL BE GRANTED TO APPLICATIONS RECEIVED ON THE DAY A TASK IS DUE.**
- ix. If a student submits a task which is deemed to be a non-serious attempt by the teacher, then a zero mark will be awarded.
- x. During examination sessions, any portable electronic devices, including iPods, are not permitted and only NESA approved equipment, such as calculators, may be used.
- xi. Hard copies (not computer files) of written task responses are to be submitted unless the task stipulates otherwise. It is the student's responsibility to have work printed in time for submission.
- xii. Printing of major works can be organised through the school provided it is submitted one week before the due date.
- xiii. Computer / Printer failure cannot be used as a reason to submit work late.

Where a student is going to be absent, the student or parent/guardian should contact the Head Teacher or class teacher if possible, before the task takes place. If unexpectedly absent on the day of the task the student should phone the school and inform the Deputy Principal, or the Head Teacher of the subject. Workplacement is not a valid reason to submit work late. All students on Workplacement must make arrangements to submit the work by the due date.

5. School Assessments under Examination Conditions

In school assessments are often carried out under examination conditions. Wyndham College uses examination procedures modelled on those used for NESA external examinations. The majority of students meet expectations. Students need to be aware of the examination Procedures and Code of Conduct. They ensure the smooth running of examinations and an environment in which all students are able to respond to the best of their ability without disruption from others.

6. Procedures and Code of Conduct

- Wear school uniform. This assists the supervisor identify you as a student of this campus. Bring all necessary equipment in a CLEAR ZIP LOCK BAG or CLEAR PENCIL CASE. A black or blue pen, pencil, pencil sharpener, eraser, highlighter and ruler marked in mm and cm are allowed in ALL examinations.
- For examinations requiring a calculator use only a NESA approved calculator. Make sure it is fully charged.
- You may bring a clear bottle of water into the examination; you cannot leave to refill it.

- Supervisors have the right to inspect any equipment you bring into the examination room.
- Arrive at the exam room 20 minutes before examination start time. It can take some time to find your seat. A seating map will be placed on the outside of the HALL to help you.
- Organise your transport to be on time for examinations.
- If you arrive late, entry into the examination will be at the supervisors' discretion.
- Sit at your allocated desk. Do not swap name place cards.
- Remove your watch and place it in clear view on the desk in front of you. It cannot be a programmable watch.
- When instructed, thoroughly check your examination paper – it is possible that pages are missing or there has been an error in the printing.
- Reading time is for reading only. NO writing or highlighting may be undertaken during reading time.
- Read instructions carefully, noting requirements for the use of answer booklets.
- Supervisors are NOT able to interpret questions.
- Write your name or NESA number, as instructed by the supervisor, on every page of your answer booklet.
- Write in black or blue pen, preferably black.
- Stop writing immediately you are instructed to do so.
- Arrange completed answers according to supervisor's instructions.
- Do not remove examination papers from the examination room.
- Only leave the examination room when the supervisor says it is OK to do so. Leave immediately, when instructed to do so.
- If you are ill or a problem exists during the examination notify the supervisor immediately, by quietly raising your hand.

Students must NOT:

- Borrow equipment.
- Take mobile phones or programmable watches or other electronic devices into the examination room.
- Speak or communicate to anyone other than a supervisor during the examination. Behave in a manner that is likely to disturb or disrupt other students.

- Smoke, eat or come to examinations under the influence of alcohol or illegal drugs.
- Try to cheat or participate in any form of malpractice. Cheating or malpractice may result in zero marks being awarded and an 'N' determination issued.

If a student breaches the conduct of code during the examination, the school will use a Yellow/Red Card notification system. Students will receive one official warning - a Yellow Card placed on their desk. Should the behaviour continue the student will be removed from the examination venue (Red Card) and sent to the Deputy Principal. This will result in disciplinary action.

Yellow Card: THIS IS A WARNING. You have been observed breaking the code of conduct. DO NOT ATTEMPT TO DISCUSS THIS NOW. The next step will be a Red Card and removal.

Red Card: You have been observed breaking the code of conduct. You are to leave the examination room IMMEDIATELY without disrupting others. Please report immediately to the Deputy Principal.

If you are ill or have a major problem on the morning of the examination:

Notify your Year Deputy or the front office (9208 7100)) as soon as possible, and make an Illness/misadventure application as soon as you return to school.

Note: Illness/misadventure appeals require a Medical Certificate.

Rescheduled examinations must take DURING the examination period unless there are extenuating circumstances.

7. Appeals And Reviews

Where students are dissatisfied with any aspect of the assessment procedure, they should in the first instance approach the Head Teacher of the subject concerned. If the problem cannot be resolved at the faculty level, it may be referred to the Assessment Review Committee (Principal, Deputy of the Year not concerned and the Head Teacher Secondary Studies), who will convene to consider the particular case. Queries about the marks awarded for a task CAN ONLY be considered if made when the task is handed back to the class.

8. Malpractice

Students who cheat in any way, including plagiarism, make a non-serious attempt, or truant for an assessment task will score zero for the task. In addition, the task will be recorded as a non-attempt in terms of the requirement that students complete tasks which must total more than 50% of available marks. Note: **Cheating occurs when a student attempts to gain an unfair advantage.** The Principal will make all such judgements in consultation with the Review Committee. Plagiarism is the submitting of work that is not wholly your own, e.g. submitting slabs of text from the internet or a textbook.

9. Non-Serious Attempt

Students studying a Preliminary course must make a genuine attempt to complete course requirements. It is a matter for the teacher's professional judgment to determine whether a student has made a genuine attempt to complete these requirements.

Students who do not make a genuine attempt **must be given zero** and will be required to complete a substitute task.

In the case of competency-based courses, where a student has not successfully completed any units of competency, it is a matter for the teacher's professional judgment to determine whether the attempts made by the student to complete the course are genuine.

Where students are studying a Preliminary course that includes a requisite examination, students must sit for and make a genuine attempt at the examination. If it is determined that a student has not made a genuine attempt to complete course requirements, the principal must indicate on the appropriate documentation that the course has not been satisfactorily completed.

10. "N" Determinations

NESA has delegated to principals the authority to determine if students seeking the award of the Higher School Certificate at their school have satisfactorily completed each Developed and / or Endorsed Course in which they are enrolled in accordance with the requirements issued by NESA.

Principals therefore will determine if there is sufficient evidence that each student has applied themselves with diligence and sustained effort to the set tasks and experiences provided in the course by the school.

Principals may determine an appropriate attendance pattern(s) that will allow each student to achieve the outcomes of each course being studied. **Principals may determine that, as a result of absence, the course completion criteria may not be met.** Clearly, absences will be regarded seriously by principals who will give students early warning of the consequences of such absences. Warning letters will relate the student's absence to the non-completion of course requirements.

11. Warnings

If at any time it appears that a student is at risk of being given an "N" (No completion of course requirements) determination in any course, including VET courses, the principal will warn the student as soon as possible and advise the parent or guardian (if the student is under 18 years of age) in writing. This warning will be given in time for the problem to be corrected and will provide advice about the possible consequences of an "N" determination in a course on Higher School Certificate eligibility.

Students who have not complied with the requirements for satisfactory completion of a course at the time of finalizing assessments cannot be regarded as having satisfactorily completed the course.

NON-COMPLETION OF A HIGHER SCHOOL CERTIFICATE COURSE OFFICIAL WARNING

Student's name:

Date:

Dear

I am writing to advise that your son / daughter is in danger of not meeting the course completion criteria for the Higher School Certificate course.

The Board of Studies requires schools to issue students with official warnings in order to give them the opportunity to redeem themselves. Please regard this letter as the first official warning we have issued concerning the above course/task. A minimum of two course specific warnings must be issued prior to a final 'N' determination being made for a course.

Course Completion Criteria

Where it is determined that a student has not met the Course Completion Criteria, they place themselves at risk of receiving an 'N' (non-completion of course) determination. An 'N' determination will mean that the course will not be listed on the student's Record of Achievement. In Year 12 students must make a genuine attempt at assessment tasks that contribute in excess of 50% of available marks. Completion of tasks worth exactly 50% is not sufficient; tasks worth in excess of 50% must be completed.

The satisfactory completion of a course requires principals to have sufficient evidence that the student has met the following criteria.

- a) Followed the course developed or endorsed by the Board.
- b) Applied themselves with diligence and sustained effort to the set tasks and experiences provided in the course by the school.
- c) Achieved some or all of the outcomes.

To date, your son / daughter has not satisfactorily met (a), (b) or (c) of the course completion criteria.

The following table lists those tasks, requirements or outcomes not yet completed or achieved, and/or for which a genuine attempt has not been made. In order for your son / daughter to satisfy the course completion criteria, the following tasks, requirements or outcomes need to be satisfactorily completed/achieved.

Task name Course requirement Course outcome	Date task initially due (if applicable)	Action required by student	Date to be completed by (if applicable)
