Film Festival

DECEMBER

December 5th – Year 11 Presentation Day

December 17th – HSC Results released by NESA

December 17th – ATARs released by UAC

December 18th – Morning tea for Year 12 class of 2019

December 18th – Last day for students

FROM THE COLLEGE PRINCIPAL

Year 12, 2019 have completed their HSC exams. **Robert Keys**, the Presiding Officer, congratulated our students on their behaviour at the exams. Year 12 celebrated the culmination of their schooling at the Year 12 Formal. The evening was enjoyed by all. They will now nervously await their results.

A reminder to the Class of 2019 regarding the morning tea at the College after receiving their HSC results at the College. We will love to hear what results you received, what you are going to do in 2020 and just a general catch up.

Staffing / Curriculum 2020 – Our current Year 11 students have now moved into Year 12 and have commenced the HSC course. On Wednesday 16 October we held a very successful My HSC Conference Day. Many thanks to **Brian Ewin, Dallas Richmond, David Ryan and Nathan Hulands** and their team for organising the day. A focus of the Conference was to highlight to students the importance of assessment and attendance at school, to ensure they meet the requirements of the 2020 HSC.

Congratulations – I am able to report success by our students studying with WSU College. They were: **Neveen Alam, Amelia Attard, Sadaf Azimi, Amneh Chaker, Luke Dickson, Shiann Downes, Grace Jones, Alanna Kaufmann, Yashvi, Viktoriya Li, Alex Piercy and Ashlee Whitehead.**

Students who have achieved a distinction or high distinction will be offered a scholarship by WSU. These results ensure our students receive a priority offer and a \$20,000 scholarship should they choose to study at Western Sydney University. Congratulations and good luck to them all.

FRIENDS OF WYNDHAM COLLEGE (e-P&C)

**Wyndham Whispers
will be emailed to all
members**

**Parents can join the
e-P&C at any time**

**Please contact the
school and leave an
email address**

Many thanks to **Natasha Craig** the school coordinator of the program for her coordination and guidance she offers these students. Again thanks to the support provided by WSU. We are extremely proud of all students and look forward to many more success and recognition stories.

Congratulations to all our students and the staff who have given so much time to our students.

Library Agreement – a reminder to all, that there still exists an agreement with the Nirimba Education Precinct TAFE/WSU library that enables our students to not only use the library for research but to have borrowing rights. This gives a significant advantage to our students as the library has a wonderful collection which complements our own Wyndham/St John Paul II library resource.

Students interested in accessing this facility should see our own librarians to complete the necessary documentation.

Uniform – I would ask that we pay some attention again to uniform. It appears to me that a small number of students have fallen into bad habits. I ask that all students ensure that they are in uniform each day and that in the rare event where it is not possible to be in full uniform, that a note from home be provided. Finance should never be an excuse as we have a Student Assistance Scheme which can be accessed via the office and is confidential. If students need a uniform, our uniform shop is opened Tuesday morning 7.30 -10.30 am and Thursday afternoon 1.00 pm – 4.00 pm.

Leaving School Grounds – a reminder to all that students are not permitted to leave the school grounds if they do not have a timetabled lesson. Students are to utilise this time in the library, focusing on school work. If students need to leave they must have a signed note from parent/caregiver and this note needs to be signed by one of the Deputies. I seek your support and cooperation in this matter.

Year 11, 2020 – On Tuesday November 26 we will welcome the year 11 cohort for 2020. There will be a parent meeting for these students at 6.00 pm in the hall on Tuesday 26 November. Thank you to **Sue Beamer, Beth O'Connor** and **David Macleod-Jones** and their team for organising this important event. Many of these students come from a very small cohort to a substantially larger cohort and some can find this transition challenging. We are focusing in on improving this process for our students.

For our current Year 11 students (now HSC) the upcoming Christmas holidays needs to be a time for consolidating major projects, IRPs, PIPs etc. When they return in 2020, they have only 3 terms of formal schooling remaining and I encourage all students to utilise this time wisely. I bring to the attention of all parents a website called School A to Z, a practical help guide for parents. It can be found at www.schoolatoz.nsw.edu.au. There is a useful section on how to help the whole family survive the challenges of Year 12. This may be particularly useful for Year 12, 2020 and their families.

Classa Martinuzzi – Relieving Principal

FROM THE YEAR 12 DEPUTY

The examinations for the Higher School certificate have finished and on Friday 15th November, we celebrated the Year 12 formal at the Grand Pavilion, Rosehill. It seems amazing that their time at Wyndham has gone so quickly. The Presiding Officer and his team were very complimentary about our students and the way they conducted themselves during the examination period. We are all certainly very proud of them. Crunch time comes when results are released on December 17th. I wish them all the very best.

David Macleod-Jones - Deputy Principal

FROM THE COLLEGIATE DEPUTY

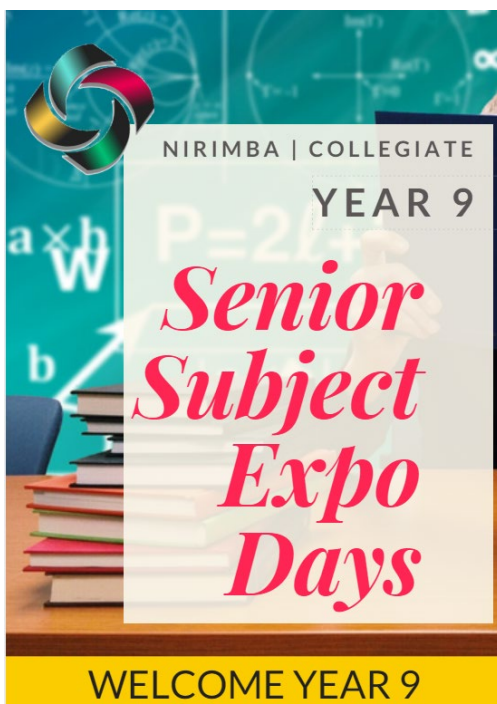

The second semester in the Collegiate has been a busy and exciting time for students and staff. I only have space for some of the best highlights:

Last steps towards Senior School for Year 10

All students from the Year 11 Class of 2020 have been invited to attend an **Orientation Day on Tuesday 26th November**, and parents are invited for an **Orientation evening at 6 to 6.30 pm** in the Hall. On this afternoon, the new uniform shop will be open from 4.30-6.00 pm and 6.30-8.30pm with a fitting room at Tradewynds for the uniform.

This is an important first day for students to meet together with their entire Year group and enjoy a range of activities that foster wellbeing and build friendships.

Our parent evening is an opportunity for parents to learn more about the College and have any questions that they may have answered.

**Year 9 students start their journey towards Senior study**

Year 9 students from the Nirimba Collegiate have been invited to visit Wyndham College for two days (Riverstone High School & Seven Hills High School 18th & 19th November/ Quakers Hill High School 2nd & 5th December) to find out more about the array of courses that the Collegiate schools will offer for Stage 6 in 2021.

This is the first cohort to move through into their senior years under the recalibrated Collegiate model wherein students will have the option to remain at the school they have completed years 7 to 10 for their senior studies OR undertake Years 11 & 12 at Wyndham College. Students may also have the opportunity to remain at their current school but also undertake one course at Wyndham College. This will be determined on the basis of demand and feasibility with regard to timetabling.

Nirimba Collegiate Support Students Sports Gala Day

Thursday 14th November saw the students and staff of the Support Units from the four Collegiate schools converge on the fields of Quakers Hill High School for the Inaugural Collegiate Support Students Sports Gala Day.

The 17 different activities that students could participate in were led by the Sports Coaching students from the Wyndham sports Academy (Go Wolverines!). The coaching students were able to demonstrate competencies in refereeing for their accreditation, and the support students had a day of laughter and fun as they sweated it out playing Flag football, soccer, basketball, and volleyball, or engaged in Zumba, cheerleading, yoga or badminton – just to name a few.

Healthy food and plenty of iced water was provided to refresh the sportsmen and women, all enjoyed in the newly established Support BBQ garden at QHHS.

The success of this day will certainly lead to it becoming a fixture on the Collegiate calendar.

Many thanks for the assistance of the organising committee: Jennifer Payne, Shannon Finemore, Nathan Hulands, Rachel Kelso and Daniel Nash.

UAC Information Night for Parents

There are many misconceptions out there about what the ATAR is and how it is calculated. We have invited the experts to answer all your questions about 'scaling', course choice and the university application process. Representatives from the Universities Admissions Centre will be at Wyndham College from 6.30 – 7.15 pm on Monday 2nd December, 2019.

to uni through UAC

THE LIBRARIAN'S DESK

The Library has been a refuge for students and staff looking to escape the smoke from bush fires over the past few weeks. There has never been a better time to stay indoors and read a good book or study. We have recently purchased lots of new anime and manga titles which have proven to be popular with students. For a list of new books in the Library you can check out our goodreads virtual bookshelf at <https://www.goodreads.com/review/list/52326553-nirimba-college>.

The wellness area in the Library has been much loved by students looking to take a break or have some quiet reflection or reading time during the day. The new green wall has enhanced the tranquility in the space and students are welcome here during breaks and study periods. This is a silent area where students can rest and re-energise.

The Library staff have recently created a closed reserve collection of study guides and textbooks in the Library that students may use in the Library to help with their study. We have seen many students and staff using the resources this term and they have appreciated having the books at their fingertips when needed. The Australian Copyright Act contains provisions that allow students to copy or scan a 'reasonable portion' of a book for educational purposes. For example, a student may copy or scan 10% of a book for a class or up to one whole chapter. This copyright provision is useful for students who want to make copies from textbooks, study guides and exemplars in the Library.

Students who have recently finished the HSC must now return all library books as we will start to follow these up. Please check for any outstanding text books that also need to be returned to faculties.

Sally Govett – Teacher Librarian

WANTED

YOUR OLD SCHOOL UNIFORM

Hey Year 12 2019

Please consider giving us your old uniform so we can help others.

Jackets especially!

See Jason (staffroom) or Sally (Library) with your donations

Resilience	<ul style="list-style-type: none"> • Develop a variety of tools to assist them to meet and overcome challenges
Mental Health	<ul style="list-style-type: none"> • Know how to approach conversations with friends and peers • Aware of actions to take when someone or themselves are struggling
Showcase - Presentation Night	<ul style="list-style-type: none"> • A showcase of students achievements will be presented and; • Students will be awarded with a certificate of attendance and completion of the program.

OUTCOMES

Teachers report marked improvements of participants in:

- Self-confidence
- Self-advocacy
- Social connections
- Extracurricular social activities
- Positive attitudes
- Developing personal connections with peers
- Improve behaviour out of the classroom
- Increased positive participation in the classroom

All sessions incorporate a range of strategies and interactive activities that support student's educational development.

This program is available to any High School in the Blacktown local government area.

Each session runs for one hour.

FROM THE SRC

Christmas Charity: Aussie Farmers

This year has been difficult for out farmers, especially those in remote areas of Australia. SRC is collecting donations from students and the community to help our farmers celebrate the Christmas holidays and to say thank you for being an important part of Australian culture.

We are looking for the following items to donate:

- hygiene essentials
- toys
- books
- clothes
- long-lasting foods (canned tuna, corn, etc.)
- home decorations
- stationery: pens, pencils, markers, highlighters, etc.
- bags
- pillows and blankets.
- Christmas presents

Please place donations in the library or give them to a student in SRC

Melissa Berry – SRC Co –Ordinator/Science Teacher & Daniel Moss SRC Co-Ordinator/English Teacher

ISSUE NO.14

31 OCTOBER 2019

THE HOWLER

FOR ALL YOUR WYNDHAM SPORTS ACADEMY NEWS

Pawn Stars!

The Wolverines show off their strategic side with a spot in the NSW Interschool Chess State Finals.

BY DENIS VLISMAS & DANIEL MOSS
TACTICS AND STRATEGIC ANALYSIS DEPARTMENT
WYNDHAM SPORTS ACADEMY

Welcome to the Wolverine fans, when Denis and I left you with the last update of the Wolverine Chess Team, the team had fought hard and qualified for the State Finals. This is a fantastic achievement and we appreciate the support from the Wyndham community. Our little chess club has grown in strength and numbers and has carved out a small section in Wolverine history. Wyndham College qualified to play chess against the top 16 schools in NSW, no big deal!

Unfortunately, some of our year 12 chess champions had HSC commitments but we quickly found year 11 substitutes who were more than capable, and happy to adopt the Wolverine mentality and leave everything on the board.

The boys started out extremely strong. Pawn to E4, E5 was quickly followed by Knight to F3, Knight to C6, as they fought to take control of the centre and strategically the game. Our players were brave with their attack, yet maintained a strong defence. A typical Wolverine tactic to defeat the opposition.

PSSA Athletics
Wed-Thurs 6-7th
October
SOPAC 8:00am

Collegiate Gala Day
Thurs 14th Nov
QHHS 10:00am

**Upcoming
Sport**

The standard was extremely high. The best of the best were playing, and our very own Wolverines, with their “never say die” attitude, continued their individual battles throughout the day. Sadly we did not place in the Finals. However, qualifying is an incredible feat in itself and the boys are to be commended for their strong efforts. A big thank you to all of our Wolverines who participated or supported the Wolverines in our quest for State Glory. They have excelled beyond all expectations.

The chess club continues to grow in size and we are always looking for new players to participate and have fun. Daniel and Denis are available every Wednesday at recess and lunch to illustrate tactics and strengthen your game. The chess sets are always available from the library at any time if you wish to have some fun or just beat your friends. Come along and join the preparations to make another run at the Finals in 2020.

Congratulations to our competitors:

Benjamin (Chess Queen) Rainbow

Bailey (The Wizard)
Rebiffe

Ethan (The Iceman)
Jamsek

Cheyden (Zero)
Ruawhare

Richard (The Lionheart) Vidal

Liam (Mailman) Morall

Joel (The King) Deaves

Marko (Adley) Stojanovic

The e-P & C MODEL (FOW)

Wyndham College has been operating as an eP&C (FOW) for all of 2018 and will continue with this model in 2019. This model is designed to both consult and inform as many parents and the school community as possible.

The Senior Executive will email issues as they arise to seek parent advice. Replies are to the email lists of parents who are financial members of the e-P&C. Parents on the e-P&C list are not obliged to respond to every issue.

Meeting schedule

Two parent meetings will be held in a year

Term 1 Welcome reception and AGM – 26 February 2019

Term 4 Parent Forum – HSC Assessment/Information evening - TBA

The e-P&C (FOW)

eP&C will be advertised each year to parents via email and newsletters.

Following the Welcome Event and AGM, the membership list will be compiled and the group formulated by the college computer coordinator. A welcome message will be sent.

At the AGM volunteers are then called for, to take the roles of President, Vice President and Treasurer. A \$2 annual membership fee exists to enable financial members to vote on issues.

Issues for consultation

Sometimes issues arise throughout the year, extra meetings maybe necessary to address these issues. However at least once a year the e-P&C will need to review income they generate and allocate this progressively to the designated school projects that are established this will probably occur at the term 4 Parent Forum. E-P&C will also provide parents for interview panels, and community representatives on projects the College are involved in.

Join the e-P&C

Parents are invited to join the e-P&C. This is a group email of e-P&C parents by which the Senior Executive can seek parent advice on issues that require input from our school community. These issues will periodically be emailed to you with no obligation to respond.

If you are interested in representing parents in this way please provide your email address to the principal at Wyndhamcol-h.school@det.nsw.edu.au or by sending her this form.

✂-----

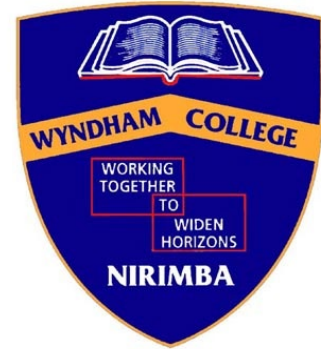

I am interested in the e-P&C

My child is _____ in year _____
