### MAY

### JUNE

June 8<sup>th</sup> – Queens Birthday Public Holiday

### FROM THE COLLEGE PRINCIPAL

Term 1 2020 certainly was different from any other year!

The College managed to have all students learning remotely for the last 3 weeks of term 1 and the first 4 weeks of term 2. A mammoth task and many thanks to not only the teachers for being so adaptive but also our students for embracing this new world.

As of 25 May, all students have returned to the College for normal face to face learning. It is to be noted, this is the only form of learning being provided by the College. It is important for all of our students, but especially for students in Year 12, to return promptly to school, engage in the work that is required of them and have everyone working towards their HSC. Correspondence was sent out on the 20 May 2020, outlining the Department of Education requirements/guidelines.

The HSC is happening in 2020 and last week the timetable was distributed by NESAs. The Assessment Schedule, published term 4 2019, for this year's Year 12, will have some minor adjustment. The biggest change is the date of the HSC Trial Examinations. I have distributed the main changes to this year's Year 12 HSC in previous correspondence and have included it again in this newsletter.

The Year 11 Assessment Schedule is in the process of being modified and a revised schedule will be distributed ASAP. The planned Focus Week for this term will not go ahead.

### FRIENDS OF WYNDHAM COLLEGE (e-P&C)

**SAVE THE DATE**

**TERM 2 meeting  
postponed to TERM 3**

**Parent Forum**

**Parents can join the e-P&C  
at any time**

**Please contact the school  
and leave an email  
address**

Reports for all students will be still written, albeit slightly modified, and distributed this term. All reports will be given to students during Connect. For Year 12 they will be distributed from Monday 15 June and Year 11 from Monday 29 June 2020.

Due to COVID-19, no parent/teacher evenings will be able to occur during term 2. I am hopeful, we may be able to conduct these evenings early in term 3.

Gatherings in large groups will not be able to proceed in term 2. Thus, assemblies etc will be postponed until further notice.

The Friends of Wyndham planned meeting will be postponed for this term and hopefully, resume again in term 3.

### **UWS Agreement**

The University of Western Sydney has again signed off on an agreement with Wyndham and St John Paul II Catholic College which not only enables the continuation of special access of our students to the university but also guarantees significant scholarships up to \$20,000 per student over 5 years. Students who successfully complete a university unit during Year 11 or 12 receive an early offer of entry to the university. Students who achieve a distinction or high distinction are entitled to the scholarship for 4 years at university (\$5,000 per year) and also receive a cheque for \$500 to assist them during Year 12. A significant advantage offered in this agreement is that Wyndham College and its students will no longer have to pay the tuition fees of these courses. We are again very grateful to the University of Western Sydney for this magnanimous gesture. We have started this process of seeking student applications for these courses for 2020. This year these courses will be delivered in the 'online' learning format. This UWS Agreement is an exclusive agreement with Wyndham College and St John Paul II Catholic College – a program of which we are extremely proud

### **College Website / Facebook / Instagram**

Many thanks to Kumie Pather, Sally Govett, Nathan Hulands and a team of staff for all their work with our social media platform. I ask everyone to take the time to review our social media platforms. We are very proud of these forms of communication.

**Learning Hub** – It is a vibrant learning space and I know the students thoroughly enjoy the space. The space has been jointly funded by St John Paul II and Wyndham College. It is used constantly by both schools. The Learning Hub has been opened from 25 May 2020, with limited numbers and social distancing protocols in place.

**Collegiate Recalibration** - is still happening in 2021. The planned Taster Days at Wyndham have been postponed. The partner schools are delivering senior subject programs for current Year 10 students, at their respective schools. To remind everybody, this year's Year 10 can remain at their current school to complete their senior studies or they can relocate to Wyndham College. They may even access a course at each campus. Beth O'Connor, the Collegiate Deputy Principal, is co-ordinating the student surveys, which will provide us with an indication of where and what students would like to study in 2021.

**Finally** – I thank you for your ongoing support and as always invite you to contact either me or the college office with any concerns you may have or suggestions you would like to offer as we seek to **work together to widen the horizons** for all of our students at Wyndham College.

**Karen Smith – College Principal**

## HSC EXAMS WILL GO AHEAD IN 2020

24 April 2020

Media release 

Chair of the NSW Education Standards Authority (NESA) COVID-19 Response Committee, Professor Peter Shergold confirmed today that the class of 2020 will sit HSC written exams later this year.

Today's Committee meeting also agreed to:

- release HSC results in mid December as originally planned
- release the written exam timetable by 15 May (Week 3 Term 2)
- extend due dates and allow teachers to mark major projects in Design and Technology, Industrial Technology, Textiles and Design and Visual Arts
- give schools and parents more time to submit evidence for disability provisions for the exams.

Professor Shergold said the Committee is systematically working through every element of this year's HSC so that the results issued to students in mid December take into account any disruption due to the COVID-19 pandemic.

"The health and safety of students, teachers, exam supervisors and markers, as well as equity for students remain central to the Committee's planning for this year's HSC," Professor Shergold said.

The marking process for Design and Technology, Industrial Technology, Textiles and Design major projects and Visual Arts bodies of work have been changed, so students will have an extra two weeks to work on their projects, and the marks will be provided by their teachers.

"Teachers are best placed to consider the extent of any disruption experienced by their individual students due to the COVID-19 pandemic, as they will have been closely monitoring their progress since Term 4 last year," Professor Shergold said.

NESA will provide teachers with detailed marking guidelines and monitor marks submitted to ensure equity in major project marks across the state.

Schools are now able to apply for disability provisions for students for the exams based on the evidence they already have noting that it may be challenging for families to access specialist medical advice at this time. Additional medical evidence can be provided at later date.

For more information visit [educationstandards.nsw.edu.au/covid-19-advice](https://educationstandards.nsw.edu.au/covid-19-advice) or contact the NESA COVID-19 support team on 1300 138 323 or [covid19support@nesa.nsw.edu.au](mailto:covid19support@nesa.nsw.edu.au)

## 'Nirimba Collegiate' Recalibration Update

In 2021, the Collegiate will start to expand its stage 6 offerings. What this means is students currently at Riverstone, Quakers Hil and Seven Hills can elect to do one of three things; stay at their current school and study stage 6, study stage 6 at Wyndham College or stay at current school and access one or two courses at other campuses. It is an exciting time for the 4 schools.

## FROM THE YEAR 11 DEPUTY

### Uniform

We are fast approaching winter and this is the time when the consistent wearing of college uniform is challenged. Every student enrolled at Wyndham is aware that we are a uniform college no matter what the season is. While the vast majority of students are doing the right thing regarding uniform, I am beginning to see several students being incorrectly attired as Wyndham College students. In the past, we have stopped students going to class of a morning until parents were called and the correct uniform was given to students to change into. Students who are consistently out of uniform may find themselves in this position. It would be positive to think that uniform was being worn as a matter of pride and not because of the fear of sanctions. New jackets and jumpers are available from the School Locker.

### Wearing the correct footwear

We are committed to supporting the Department's Safe Working Policy by providing a safe working environment for all staff, students and visitors. Footwear is an important safety item. Good soles provide a sound grip on the floor preventing slips, trips and falls from happening. Footwear can also protect feet from damage caused by accidents such as falling objects or chemical spillage.

Areas where safe footwear must be worn include:

- Industrial Arts and trade workshop areas
- Science laboratories
- Canteen or Food Technology (Kitchen) areas

Sandals, open footwear or high heeled shoes are not permitted in these areas. Students who present themselves for a class or activity with inappropriate footwear will be given alternate educational activities until they are wearing the correct footwear.

Footwear which is suitable for the general school environment means enclosed shoes which are flat shoes or shoes with a minimal heel that have a good grip and fit well.

### Underperforming Year 11 students

While we are in very different circumstances this year, there are still requirements which must be met for students to be successful in attaining an HSC.

Students must have 12 Preliminary units and a minimum of 10 Higher School Certificate units, of which 2 units must come from English, to be awarded the Higher School Certificate. In some cases, students may be offered a Pathways option which will allow them to graduate with a Higher School Certificate at a different time. The offer of the Pathways option should not be taken for granted.

It is critical for students to satisfactorily complete Year 11 English. This means that if Year 11 English is not completed satisfactorily then students cannot even attempt Year 12 English, which in turn leads to no Higher School Certificate being awarded, no matter how well you perform in your other subjects. Students who have been given N-award warning letters in any subject should ensure that all outstanding work is completed to the appropriate standard and handed in for marking.

**David Macleod - Jones Deputy Principal**

**FROM THE YEAR 12 DEPUTY**

**Year 11 2021** – Following our successful Open Night on 11<sup>th</sup> March, the world changed around us and our marketing was placed on hold so we could focus on providing the best education (through distance learning) we could for our current students as well as ensuring open and regular communication with our community.

However, now that we are moving into *COVID-19 Phase 3*, our marketing plan is back in play. We have already commenced interviews for non-Collegiate enrolment applications for 2021, many of whom have been keen to join us in Year 11 next year after having attended our Open Night.

The updated Nirimba Collegiate Subject Selection Process for our Collegiate Year 10 students is also well underway, with students making decisions about which collegiate school they would like to attend in 2021 and which subjects they would like to study.

With the recalibration of the Nirimba Collegiate in effect from 2021, we are working hard to increase enrolments from non-Collegiate schools. So, if you know anyone looking for a great Stage 6 (senior) learning opportunity for 2021, tell them about how great Wyndham College is, refer them to our website's **Enrolment** page or get them to call for more information.

**Classa Martinuzzi – Deputy Principal****FROM THE DEPUTY**

Although there has been many disruptions to our lives during the COVID-19 period our staff and students have continued to be teaching and learning both online and face to face. The 2020 HSC Exam Timetable has been published and the exam period commences 20 October and finish on 11 November. Students can access their personal timetable online from <https://studentonline.nesa.nsw.edu.au>.

**How is the 2020 HSC different?**

Download the 2020 HSC: What's changed for student's flyer for more information about changes made to ensure teachers, students and parents stay healthy and students receive a fair HSC result. Updates can be found from <https://educationstandards.nsw.edu.au/wps/portal/nesa/covid-19/coronavirus-advice/hsc>

I would like to take this opportunity to remind students in Year 12 of their responsibilities regarding classwork and assessment tasks. The learning tasks set by teachers during the period of time that students were working from home is vital to the students' success in the HSC. This content delivered during that period maybe revisited in revision but as time leading up to the HSC exams is tight, there is no time to reteach that content.

Bearing in mind that a large percentage of the total Higher School Certificate assessment mark comes from assessment tasks done at school, it is vital that students maximise their efforts and ensure that they give themselves the best possible chance for success.

Students are provided with ample warning of the nature of any task and the due date. This due date is not a guideline; it is a deadline. Assessment tasks **MUST** be handed as directed on the Assessment Task notification.

If a student cannot attend school on the day of an assessment task to submit it or perform the task in person because of a valid reason, the Illness/Misadventure appeal process must be followed. Information regarding this process is in the assessment handbook which was issued to all students or can be obtained from any Head Teacher.

It is important to remember that if a student fails to complete tasks which contribute 50% or more of the available marks, they may receive an 'N' determination for that course and this will be recorded on their HSC.

The easiest way to avoid any issues or concerns is to ensure that all assessment tasks are performed to the best of a student's ability and that they are handed in or performed on the due date. If there are any issues or questions regarding any of this process, please do not hesitate to contact me at school.

**Brian Ewin - Relieving Deputy Principal**

#### **FROM THE COLLEGIATE DEPUTY**

##### **YEAR 10 INTO 11 TRANSITION UPDATE – COLLEGIATE STUDENTS**

As a result of the restrictions and new protocols associated with COVID-19, some changes have been made to the Subject Selection Process for Year 10 students looking to continue into Year 11 in 2021.

Quakers Hill HS, Riverstone HS and Seven Hills HS were unable to hold their respective **Senior Subject Information Nights** at the end of last term. However, each school is communicating with their students and parents about the senior courses they will have on offer in 2021 through digital platforms and/or student meetings.

The **Taster Days** at Wyndham College have had to be cancelled.

Students will have a **subject survey** to complete during **Weeks 6-7 (1 June – 12 June)**. The link to this survey will be emailed to all Year 10 students Department of Education email account. This survey will ask students to indicate which school they wish to go to for Years 11 & 12, and the subjects that they would like to do. Students who are currently in Year 10 at Quakers Hill, Riverstone and Seven Hills High Schools will continue to have a right of entry into Wyndham College or they may choose to remain in their current school to complete Years 11 & 12. Some students may have the opportunity to access courses across more than one campus. The information gained from this survey will be used to create the curriculum structure for Year 11 across the Collegiate. In preparation for this survey, students should consult their **Collegiate Senior Course Guide**, the subject materials provided from their own school and talk to their teachers and Head Teachers.

**Subject selection interviews** will then take place at the school in Week 10 Term 2 for Seven Hills and Riverstone HS students, and Term 3 Weeks 1 & 2 for Quakers Hill HS students. Each student has been given an appointment time where they will meet with a Careers Advisor from the Collegiate Senior Subject Team to discuss their future goals, career aspirations and the subject choices that will best fit with these and their individual capabilities. Parents are welcome to attend these interviews at the allocated or other suitable time.

## VOCATIONAL EDUCATION PILOT PROGRAM – SEVEN HILLS HS 2022

Last week Greg Johnstone, principal of Seven Hills HS announced that his school has been chosen to become a centre for vocational education in NSW. A learning partnership will be established between the school, TAFE NSW, NSW Health and private providers to deliver courses for students in Year 11 & 12 in Health Care & Social Assistance, Specialised Construction and Warehousing.

This is exciting news as this program will benefit all Collegiate students in future years as it broadens even further the subject choices they will have in their senior years. Most importantly, it is a program that looks to safeguard the future employment of countless Collegiate students in fields destined to be in higher demand as Western Sydney expands with a new airport, infrastructure and population growth.

**Beth O'Connor CDP**

### FROM THE LEARNING SUPPORT TEAM

The Learning and Support team works in collaboration with the classroom teachers in identifying and responding to the additional learning needs of students.

Team meets regularly to coordinate processes and resources for supporting students who are identified as experiencing difficulty in their learning. Due to the emergence of COVID-19 and remote learning, many students are feeling anxious about their school work. Learning support team can help these students with getting back on track.

If you have any concerns about your child's learning please contact us.

**Shannon Finemore or Daljit Bansal - Learning Support team**

### FROM WELL-BEING

Welcome to Term 2! What a whirlwind of events since our last newsletter.....COVID 19 has had a dramatic impact on our way of life. It is vitally important that students and families be very aware of their mental health and well-being during this time.

A reminder to everyone that our Well-Being team is a large diverse group of staff to ensure students are provided with support for their mental health and well-being.

#### Year 11 Advisers

A - G - Jason Ewing-Jarvie  
 H - N - Gina Kalisperis  
 O - Z - Daljit Bansal  
 Platinum - Sally Govatt  
 Deputy - David McLeod-Jones

#### Year 12 Advisers

A - G - Brendan Hewitt  
 H - O - Rachel Kelso  
 P - Z - Tim McIntyre  
 Platinum - Sally Govatt  
 Deputy - Brian Ewin

**Principal** - Karen Smith

Deputy – Classa Martinussi

**Counsellors** - Anna Jakymin and Rosa Provensano

**Chaplain** - Tim Gleeson

**Head Teacher Well-Being** - Sue Beamer

### **Webpage resources**

We also have resources provided for both students and their families on our webpage under the section well-being tab -

<https://wyndhamcol-h.schools.nsw.gov.au/student-information/student-wellbeing.html>

### **Mandatory Life Ready Program - for Year 11 & 12**

**Activities relating to this program have been put on hold until we have clearance from the department to continue with our special events. Year 11 have the BeStreetSmart day, which is booked, however, we await news on whether this event will be held in 2020. Year 12 have almost completed their activities and we can hopefully provide some special event in Term 3, after their Trial exams.**

### **Year 12 Formal**

We are very hopeful that this event will continue as planned in 2020 as it is not until 13 November. Please ensure you pay your deposit and remember mandatory fees must be paid. Any issues see your Year Adviser.

### **Open Pantry**

To ensure our students are cared for the Chaplain co-ordinates an Open Pantry that students can access at recess or lunch via their year advisers at the top of B Block. Basic snack foods are available if needed.

### **Student details**

Student details need to be updated regularly by parents/caregivers if things change at home so that staff can contact the correct people when needed. Items that need to be updated can include mobile numbers, address, emails and emergency contacts. During our online teaching, we found many numbers where disconnected and emails bounced back. If in doubt send in your details, please.

Please contact a member of our team if you have concerns about your child.

### **Sue Beamer - Head Teacher Well-being**

### **FROM CAREERS**

**Careers@wyndham** classroom (code – **uhzsid**) has been joined by over 480 students which allow them access to relevant careers information. This includes job opportunities including current apprenticeships and traineeships, TAFE including short courses ( started due to COVID19) and full-time opportunities, UAC, private colleges, University and gap year information.

Face to face live events have been stopped, however, there has been an explosion of online events to inform students about career-related information.

**Year 12 students** – please feel free to email or come and book a careers interview during one of your study periods to make a plan for your successful transition from Wyndham College in 2021. This is

particularly important if you are applying for the SRS (Schools recommended Scheme) via UAC. I need to talk to you about this scheme.

Careers office is available to all students at the top of D Block. Parents & caregivers feel free to call the College with careers related concerns about your student.

**Sue Beamer – Relieving Careers Adviser** Email - [susan.beamer@det.nsw.edu.au](mailto:susan.beamer@det.nsw.edu.au)

### **FROM THE LIBRARIANS DESK**

Students from both Year 11 and Year 12 have been doing an excellent job of social distancing and cleaning their own tables and chairs in the library to help keep us all safe. We appreciate the support we have received from all our staff and students during this time. A simpler way of life has seen students reading more and I have enjoyed hearing about what students have been reading during the lockdown as they slowly return to school. We are also mindful that some students have found the last few months very difficult and may transition slowly back into school life.

The Library is a great space to read, reflect, view, create and get work or study done. As the weather gets cooler, I will be reminding all students that the Library is a workspace and that they must socialise or hang out in the Hub or school grounds during breaks. With limited numbers of students allowed in the Library at the moment, this rule is particularly important and will be enforced strictly to allow students who are genuinely working to have a quiet and productive space.

**Sally Govett – Teacher Librarian**

Australian libraries  
responding to

# COVID-19

## THE LIBRARY IS OPEN!

### WITH SOCIAL DISTANCING & INCREASED SANITATION PROTOCOLS

*Please adhere to the following guidelines:*

**100** Maximum of 100 students inclusive of both schools at any time. You may be asked to wait to enter the Library or sit outside if busy.

Sanitise your hands, keyboard, laptop, chair and table **before** use. Use products provided near entry to library.

Windows and door open for increased ventilation where practical.

One student per desk. Do not move furniture or chairs. 4 students in soft seating areas. Maximum 10 students in Viewing Rooms.

Return all books/laptops that you have used to the circulation desk for cleaning. Do not put books back on shelf.

*Thank you for your cooperation ~ Mirinba Senior College Library Staff*

The season  
may have  
finished...  
But we're just  
getting started!

EST. 2017**

## Mathematics and Computing News

Hi Fans,

COVID 19 has been on everybody's lips which is a bad place to have it. You could get sick but teachers are bullet proof and so are the students. Teachers are so tough they are not allowed to go outside in the rain because they could get wet and then they would rust. Teachers and students are leading the way back to some form of normality, but we are not scared because according to expert medical advice we are safe. Our thoughts go out to all the people affected by the COVID 19 virus which is everyone. We are very proud by the way all the teachers at Wyndham College adjusted to be able to teach from home. Most teachers adopted the Zoom video conferencing and the Mathematics and Computing faculty were no different. We were so fast that we did not fly with the technology we were like jets and zoomed away. No pun intended. Sorry that was a lie. Who said you cannot teach an old dog new tricks? We were doing backward somersaults with pike and scoring ridiculously high Olympic scores. We deserve a gold medal. A big thank you to my faculty and all the teachers at Wyndham College who continued student learning in these difficult and unprecedented times.

Now that we are back together students must continue their learning in preparation for their HSC and to help with this goal the Mathematics free tuition has already started again and will continue every Monday afternoon from 3:00 to 5:30 pm but students can leave earlier if they wish. We would just like you to organise a lift home now that it is getting dark very quickly after school.

It is only week 5 but things are heating up. We started with a sprint but somehow, we have kept up the pace. I put it down to superb physical fitness and good living. That's what teachers do.

The Minecraft club has begun with Kumie at the helm. He has assured me that he will not steer the ship onto the rocks, but accidents do happen. Mel is busy with the Robotics Club that meets during lunch every Wednesday in the study spaces in the B block staff area but Mel would like more numbers for her Girls Coding Club so if you are interested please see Mel for further information.

Well it is assessment time again and everybody is over the moon. A bit like that amazing cow.

## COVID Safe Transport Plan

### Supporting students returning to school

Transport for NSW is working closely with the Department of Education and the education sector and is playing a vital role in supporting students getting back to school.

The NSW Government's policy is to not leave a school student behind.

There are currently no physical distancing restrictions on dedicated school services.

School students will be given priority over other customers on general services, even if this means a service goes over physical distancing capacity.

Adults may have to wait for the next service or may choose to get off if not comfortable with how many customers are on a service.

Parents and carers should make travel choices which suit their individual circumstances, including driving, walking and cycling.

Transport for NSW is here to support our customers with real time information provided through apps, social media and the Transport Info website in order to see which services have space available.

Transport for NSW continues to ramp-up cleaning across the network with a daily focus on high-touch areas like handrails and Opal readers.

Students are reminded to tap on and tap off using their Opal cards on Opal enabled services.

Everyone must remember they have a role to play in making the public transport network as safe as possible.

Our frontline people have been doing an amazing job and we ask everyone to continue to show respect and understanding.

Keep up-to-date with the latest information and advice about novel coronavirus (COVID-19) visit [nsw.gov.au](https://nsw.gov.au)

## The e-P & C MODEL (FOW)

Wyndham College has been operating as an eP&C (FOW) for all of 2018 and will continue with this model in 2020. This model is designed to both consult and inform as many parents and the school community as possible.

The Senior Executive will email issues as they arise to seek parent advice. Replies are to the email lists of parents who are financial members of the e-P&C. Parents on the e-P&C list are not obliged to respond to every issue.

### Meeting schedule

- Two-parent meetings will be held in a year
- Term 1 Welcome reception and AGM – 25 February 2020
- Term 4 Parent Forum – HSC Assessment/Information evening - TBA

### The e-P&C (FOW)

eP&C will be advertised each year to parents via email and newsletters.

Following the Welcome Event and AGM, the membership list will be compiled and the group formulated by the college computer coordinator. A welcome message will be sent.

At the AGM volunteers are then called for, to take the roles of President, Vice President and Treasurer. A \$2 annual membership fee exists to enable financial members to vote on issues.

### Issues for consultation

Sometimes issues arise throughout the year, extra meetings maybe necessary to address these issues. However at least once a year the e-P&C will need to review income they generate and allocate this progressively to the designated school projects that are established this will probably occur at the term 4 Parent Forum. E-P&C will also provide parents for interview panels, and community representatives on projects the College are involved in.

### Join the e-P&C

Parents are invited to join the e-P&C. This is a group email of e-P&C parents by which the Senior Executive can seek parent advice on issues that require input from our school community. These issues will periodically be emailed to you with no obligation to respond.

If you are interested in representing parents in this way please provide your email address to the principal at [Wyndhamcol-h.school@det.nsw.edu.au](mailto:Wyndhamcol-h.school@det.nsw.edu.au) or by sending her this form.

The School Locker is proud to partner with Wyndham College

## The School Locker

Our goal is to provide great shopping experiences for families and our retail stores are centered around a single great idea: one store with everything you need for school.

The Wyndham College uniform range is available online at: [www.theschoollocker.com.au](http://www.theschoollocker.com.au)

*Working in partnership with your school.*

### UNIFORM SHOP –

The Uniform Shop is open on **TUESDAYS 7.30 am-10.30 am** and **THURSDAYS 1.00 pm - 4.00 pm**. Online purchases available [www.theschoollocker.com.au](http://www.theschoollocker.com.au)

**Wyndham College is a uniform college and students are expected to be in full college uniform from day one 2020. This includes pale blue shirts with the college emblem and fully enclosed black leather shoes.**

For information about uniform items and prices, please refer to School Locker's website

### Uniform Shop location

<http://theschoollocker.com.au/catalogsearch/result/?q=Wyndham+College>

# STUDENT INFORMATION

## OFFICE PROCEDURES

### Alternate Carers

If and when we are finally able to travel again, we would be grateful if parents & carers could remember to advise the College of alternate carers for students in their absence. Child protection guidelines require staff to contact the people listed as the parent/carers, on the enrolment application form, regarding any matters surrounding student. If you will be away and not contactable, please supply, in writing, the names and telephone numbers of those we are permitted to contact in your absence.

### Parent Online Portal Payments

In the interest of safety and security, we encourage you to make your payments via the POP (Parent Online Payment) option via the 'Make a Payment' tab on the home page of our website. This tab links to a secure payment page hosted by Westpac. Any school related payment may be made via this link but please be specific when describing the item being paid e.g. Visual Arts fees.

Please remember - School Locker, our uniform supplier, is completely separate to Wyndham College. Payments for School Locker must be paid directly to School Locker and not via the Wyndham College POP option.

### Receipts

Receipts are automatically issued when payments are made at the Office. If our system is offline for any reason, a handwritten receipt will be provided. To simplify future enquiries, and as proof of payment, everyone is asked to please retain all receipts.

**Thank you – Administration**
