JUNE

June 22nd – BRING IT ON

June 24th-26th – MADD

June 24th- July 5th – Performing Arts HSC practical exams
and assessments

JULY

July 2nd – Year 11 Parent/Teacher Night 4.00-7.00pm

July 6th-21st – School Holidays

July 22nd – SDD First Day Term 3

July 23rd – Students return for Term 3

July 29th – August 9th – Trial HSC Period

FROM THE COLLEGE PRINCIPAL

The final step in our subject selection process for 2020 occurred on Monday 3 June for Riverstone and Seven Hills High School students and Thursday 6 June for Quakers Hill High School students. These days were a realistic “taster day” of courses students wanted to find out more about. It was a great success. The students will now begin the “final selection” process of subjects for 2020. This will be happening back at their 7-10 campuses and is an online booking program. To finalise the transition into Wyndham there will be an orientation day and evening on 26 November 2019 for all students who are enrolled in Wyndham College in 2020. We look forward to welcoming the students to Wyndham College in 2020.

Whilst we will always enrol students from our collegiate partner Year 7-10 schools – Quakers Hill, Riverstone and Seven Hills we can only enrol other students if spaces permit. Currently, the College is at the maximum number of students it can accommodate. We have twelve demountable classrooms (portables) at the moment. The College will continue to maintain 5 classes in the Support Unit.

As has been the case in recent years, a ‘waiting list’ will be established for students seeking entry from schools other than the collegiate partners.

The special enrolment policy developed for Wyndham College still applies.

FRIENDS OF WYNDHAM COLLEGE (e-P&C)

**Wyndham
Whispers will be
emailed to all
members**

**Parents can join the
e-P&C at any time**

**Next Parent Forum:
20 August 2019
7pm
Conference Room**

**Please contact the
school and leave an
email address**

Access to Wyndham is through our collegiate 7-10 schools (where the policy of local area access **does** apply). This means that if students from the local

area choose not to attend the local DoE school, they will not then be able to expect to have automatic access to Wyndham. This is especially the case now, as it could mean that there would not be room for students from the partner 7-10 schools, and of course, that is not an option.

Uniform – now that the wet and cold weather has hit, we find that a small number of students are not attending in full uniform. Wyndham is, as our learning community determined, a ‘uniform’ school. We expect all students to attend in the full college uniform. We are aware that there are sometimes extenuating circumstances which could temporarily prevent the wearing of full uniform. All we require under these circumstances is a note of explanation from home. Most students, most of the time, do the right thing in this regard but I would ask that you support us if you are phoned by one of the college staff regarding this matter.

I have explained to students that there is no excuse to be out of uniform without a note. Another major reason for our uniform is for us to be readily identifiable on the precinct. We are experiencing some intruder issues on the precinct and the uniform ensures the safety of all our students and staff.

TERM 2 IMPORTANT DATES

- **Year 11 reports** will be issued at **Parent-Teacher Night, 2 July 4-7pm in the Library**
- **Bookings for Parent Teacher Night** are online – a note has been sent and emailed to all parents/caregivers.

TERM 3 IMPORTANT DATES

- **School Development Day Term 3 – Monday 22 July 2019**
- **Students return for Term 3 on Tuesday 23 July 2019**
- **Trial HSC begins for all Year 12 on Monday 29 July 2019.** The Trial will run for two weeks.
- **Year 12 Graduation is on Thursday 27 September 2018.**

Some outstanding achievements – I would like to congratulate our students in several areas:

- their contribution to the Precinct Reconciliation event held at WSU College;
- the great performance at the Synergy Dance Festival held at Penrith Panthers;
- the great representation at Zone, Regional and State level for all our sports;
- MADD Evening is being held on Wednesday 26 June 2019. Thank you to **Deb Franco, Sarah Minol, Danielle Morais, Jason Ewing-Jarvie** and **Rachel Zoglmeier** and all our performing arts teachers and all other teachers involved. It will be a great evening.

In each of the events, our students were a credit to the college. Well done and thanks.

Karen Smith – College Principal

FROM THE YEAR 12 DEPUTY

It's hard to believe that you are a little more than a term away from beginning your Higher School Certificate. Your Trials are in Term 3. Please ensure that you regularly check your Assessment Booklet and make sure that you meet all your requirements and obligations.

Leaving the college grounds – The rule is very simple, DON'T! Once you are here you stay here. If you do leave then you are truanting and your absence will be recorded as such. Leaving the grounds also includes going to the TAFE canteen. Use ours. If you have issues with our joint canteen please raise your concerns through your SRC. It is empowered to speak on your behalf if you think you are not receiving the service you think you should be. Our canteen benefits each and every one of us because of all the profits from sales to the Library.

Uniform – Wyndham is a uniform college. We treat you as young adults and expect you to model young adult behaviour which includes complying with all aspects of the uniform code as you would be obliged to do when in the workplace. The wearing of uniform during the HSC is compulsory.

Dropping units - The College has a policy, based on a decade of experience, requiring students to attempt twelve units at the Higher School Certificate. Experience has shown that students who drop down to ten units with the intention of spending more time on the remainder very often don't. We find that one of the remaining five subject's drops down to being the 'last on the list' and before long the student is presenting themselves at the Higher School Certificate with eight units instead of the mandatory ten resulting in no HSC in 2017.

Help! – If you are finding it tough going don't forget there are skilled and caring people who are prepared to help you. We all need help from time to time, so don't be reluctant to seek assistance.

David Macleod-Jones - Deputy Principal

WELL-BEING UPDATE

Term 2 is going too fast and so much is happening.

Year 12 have had their measurements taken for their **Graduation gowns**, **Formal** note has been issued and final payment is due by **3 July**. It is essential that all mandatory contributions are paid before final payment for the Formal is made. HSC Trials are fast approaching and free study days are being provided in the holidays by WSU.

Year 11 are over halfway through their courses and are hopefully employing some of the time management strategies that were explained by the Elevate presenters earlier in the term. They will receive more presentations from this group highlighting important skills to develop along their HSC pathway. This is all covered in their Life Ready program, the fee for this should have been paid for by now.

Next term Year 11 will do their BeStreetSmart excursion as part of this Life Ready program into Driver/passenger safety and permission notes will be issued.

Our Social Worker student from WSU, Elizabeth is running our free Breakfast Club at recess from Monday to Thursday. Toast, cereal, juice and hot drink are available to those in need.

A reminder to parents and students to please keep us informed about changes to your circumstances eg phone numbers, addresses, emergency contact people, health issues, major life changes eg significant illnesses or deaths in families etc. It is imperative that we keep up to date records to ensure a supportive school community. Your assistance is essential.

As always we look forward to another productive term.

Sue Beamer - Head Teacher Well-Being

Want more information go to our website – www.wyndhamcol-h.schools.nsw.gov.au/

CAREERS

Students are encouraged to join the google classroom to keep updated about all the information regarding careers that comes across my desk. The code is **uhzsid**. This includes information about apprenticeships, traineeships, universities, TAFE courses, careers expos, HSC study days and any presentations that have been given to students at my weekly Careers workshop.

Resume Workshops – recess Tuesday and Thursday in the library – Sue and Sarah are happy to assist students in the development of their resumes. They are a working document (which hopefully they have saved as a google doc. So it can't be lost).

Careers Talks so far this term we have had presentations about

- Going to University – understanding the UAC guide
- UTS – University Technology Sydney
- Scholarship applications
- Cadetships – Business, Engineering & Technology

Future talks, this term and next will be on Teach NSW; Apprenticeship/traineeship Opportunities; Big History project; The College at WSU; TAFE assembly presentation at a formal assembly in week 9, term 2 and lots more. Join **careers@wyndham** to stay informed.

School leavers?

Pre-apprenticeship carpentry and plumbing courses through TAFE for an 18-week course starting in July 2019. Must attend the compulsory information, assessment and individual interview day on 26 June, 9 am sharp at TAFE NSW Nirimba, Building T9 with your resume and portfolio.

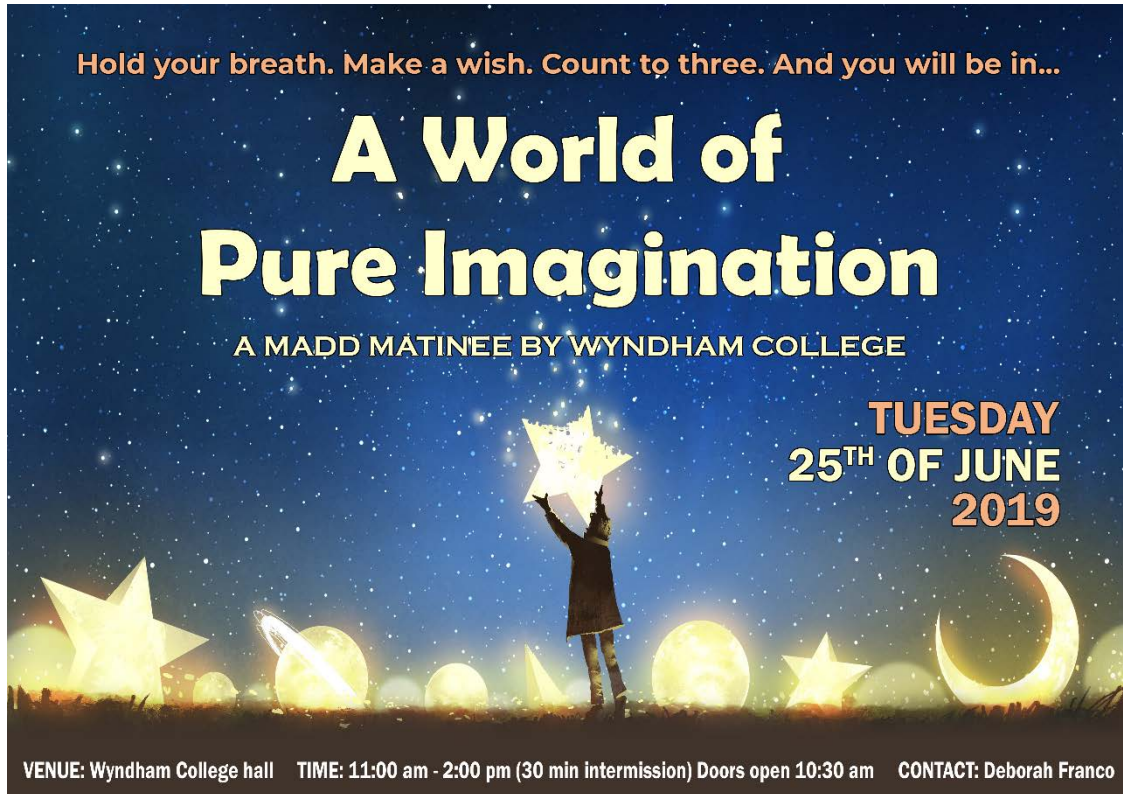

Try-a-Trade day with Sydney trains – 22 June – 9 am to 1-30 pm PCYC Blacktown, 30 Second Ave, Blacktown – book online – <http://blacktowntryatrade.evenbrite.com>

If students would like to book a careers appointment come to the Careers Office, top of D Block near the kitchens.

Sue Beamer – Relieving Careers Adviser

SRC

Wynfest 2019 is just around the corner!

Wynfest, also known as School Spirit Day, will be held on Thursday 4th July 2019 (Week 10.)

The theme for 2019 is “embracing your inner child.” The purpose of the day is for students to bond with others, have a good and relaxing time, and to embrace their inner child before entering adulthood.

Students will need to wear a white t-shirt and a pair of running shoes. There will be a plethora of activities which will allow both students and teachers to relax, have fun, and *embrace their inner child*.

See you at Wynfest!

STEM EDUCATION @ WYNDHAM

CONGRATULATIONS

Wyndham College
for being a High Achiever

in the WiseTech Global Grok Learning Challenge 2018

Richard White CEO, WiseTech Global

17 May 2019
Date

Kent Cho
Evan Lawrence
James Lee
Vedant Paija
Darshan Patel
Zhongheng Zhu

Congratulations to the following students Kent Cho, Evan Lawrence, James Lee, Vedant Paija, Darshan Patel and Zhongheng Zhu who successfully completed the WiseTech Global Grok Learning Challenge. The challenge involved students working online through a series of computing challenges and creating solutions in Python programming language. Student gained valuable experiences in problem solving, using Python and debugging techniques. Wyndham College was also recognised for its efforts as a high achiever.

Kumie Pather - STEM Educator

STUDENT VOICE FORUM

I had the pleasure on Monday 27th May 2019, of escorting 4 students to Parramatta for the “Student Voice Forum.” This workshop was designed for students to have their say, their voice, on the current slogan for all NSW schools “every student is known, valued and cared for.” The day was organised by the Department of Education and headed by the two Principals-in-Residence; Kathy Powzun and Peter Skinner. They have the title of Director of Schools Operations and Performances.

Nine schools, including Wyndham College, attending the workshop. Students from all schools constantly commented on various issues surrounding the theme for the day, that in all NSW schools every student is known, valued and cared for and a cameraman was present all day videoing and capturing all of the highlights. Also, all students were individually videoed and their opinion on selected questions and topics were archived to be evaluated at a later date.

Schools are designed to support students, to develop to their full potential and the day was prepared to hear the students’ voices and their opinions. To hear from the grassroots how schools are meeting these needs and what can be introduced to improve these results.

I was extremely proud when both presenters commented that students from Wyndham College were exceptional and positively contributed to thought-provoking discussions throughout the day. Peter was so impressed he actually made this comment twice.

Pictured from left to right are Hayden Johnson-De Silva, Robyn Chanco, Yashvi Krishna and Haoyang Cai. The tree in the background symbolised how schools are meeting the needs of their students, with the roots representing why it is important that schools work in partnerships with students, the branches illustrating what schools do to improve outcomes and the leaves orchestrated any notion or crazy idea how student achievements can be maximised.

Denis Vlismas – HT Maths

BRYANTS BRAILLE

In Year 11 Exploring Early Childhood students have been learning about Child Development in Unit 2. In this topic, students have learnt various social-emotional development factors, physical growth and motor development skills, cognitive development and language development. As part of language development, students have learnt various ways of communication; one being Braille.

During Week 7, one of our fantastic Year 11 students, Genevieve Bryant, took us into a world of unknown. Genevieve does not study Exploring Early Childhood, however, offered up her time, skills and knowledge in teaching two classes about Braille - something that is a hobby for her.

Students were first introduced to Braille by a very informative PowerPoint that Genevieve had put together. Student's discovered the shocking statistic that, over 70% of blind people cannot actually read Braille themselves and just how complicated it can be.

Students were then given time to go through various cards of braille that Genevieve had made and match up the right pair, whilst being blindfolded. This game soon turned into a race between our students.

Well done Genevieve and thank you for a really engaging lesson for your peers and for your time and dedication!!

Dannielle Morais

WSU ACCESS PROGRAM

Please congratulate the following students for getting into the WSU Access Program!

Alanna Kaufmann	Professional Health Competencies	
Alex Piercy	Professional Health Competencies	
Amelia Attard	Contemporary Society	
Amneh Chaker	Psychology & Health	
Ashlee Whitehead	Image Design	
Grace Jones	Psychology & Health	
Luke Dickson	Essential Chemistry	
Neveen Alam	The Individual in Society	
Sadaf Azimi	Intro to Human Biology	
Shiann Downes	Communication in Health	
Viktoriya Li	Essential Chemistry	
Yashvi Krishna	Intro to Human Biology	

Natasha Craig – Teacher Social Science/VET Retail Services, HT Administration

DANCE

SYNERGY PUBLIC SCHOOLS DANCE FESTIVAL 2019

Congratulations to the Year 11 & 12 Dance ensemble students that recently performed at the Synergy Public Schools Dance Festival between the 6th-13th June 2019 at Penrith Panthers. The Synergy Dance Festival allows public school students to have the opportunity to perform Dance in a professional theatre environment. The Wyndham Students performed their item titled 'La Revancha Del Tango' which is an exploration of the tango dance style characterized by marked rhythms, postures and abrupt pauses fused with contemporary dance. The females compete for the male dancer's attention and use flirtatious movement and sharp postures to do this.

SRC students Tamara Vella Powell and Aidan Hirst were also comperes at the performance and the life skills students came and supported the dancers.

A huge congratulations goes to the wonderful dedicated dancers who's vibrant, professional and skilled performance was outstanding and thoroughly entertaining. The students involved were: Alina Bernecic, Christina Jerrow, Rachael McDermott, Emily McKenzie, Taylor Scott, Ramt Trinidad, Erin Wilson, Chloe Webster. Congratulations to everyone involved!!!!

Sarah Minol – Dance Teacher

THE HOWLER

FOR ALL YOUR WYNDHAM SPORTS ACADEMY NEWS

The Defenders: Part 3 - How the mighty fall

Wolverines tamed in regional semi final of the Puma Cup despite a heroic 11th hour fight back.

BY NATHAN HULANDS
DIRECTOR OF SPORT & RECREATION
WYNDHAM SPORTS ACADEMY

"Nobody goes undefeated all the time" (Wilma Rudolph)

The Wolverines approached their regional semi final of the 2019 Puma Cup the same way they have every game this season, with a quiet confidence. A confidence that comes with being the defending champions, the benchmark against which all teams are held.

Even with our opponents, Puma Cup debutantes The Ponds HS, boasting players such as an U16 Socceroo and as Sydney FC academy star, our determination was resolute. But it seemed we had finally met our match.

After a rousing pre-match speech from captain Lleyton Coleman the whistle was blown and our title defence was underway once again.

The Wolverines came out hard and fast, counting on an early intimidation tactic to unsettle the youthful Ponds side. The Wolverines managed to dominate possession as striker and resident skull cracker Bilal Kabi teamed up with his captain to unleash strike after strike on The Ponds keeper.

As our attackers tested The Ponds defenders our own showed their strength as midfielder Cayleb Senico bulldozed his way through the field, knocking down one player like a bowling

pin, to try and put the ball within striking distance.

But for all their efforts the Wolverines seemed to be unable to find their target as The Ponds, unrelenting, continued to push back.

The status quo was finally broken, however not in the Wolverines favour. A well timed strike at the top of the box snuck past our keeper to put the Wolverines behind for the first time in almost a year.

The boys shook off the blow, and with a few substitutions, looked for the chance to put them back in the game. But the football gods seemed to be against us as the Ponds found their second goal and the Wolverines headed into half time on the verge of defeat.

After a quick half time talk, and the kinks ironed out, play resumed.

Once again the Wolverines came out as fast and as furious as ever, still determined to hunt down those two goals to put them back in the game. But The Ponds had other plans. As they drew inside our defensive half, a lapse in communication in our defensive line saw the ball deflect off one of our own players and into the path of a Ponds winger right in front of the goal. The Wolverines were down by three with only 20 minutes of play remaining.

As play restarted for the third time, the task of defending our title looked all but lost as the mammoth weight of a three point margin began to sink in. But with their backs against the wall the Wolverines mustered the last of their never say die attitude and hit The Ponds with everything they had.

Within moments of the third restart the Wolverines clawed their way into The Pond's goal box. As they came into striking range the ball fell at the feet of Bailey Burrows-Dukamp who sent it all the way home to find the Wolverines first goal of the game. Their spirit renewed the boys rallied, wasting no time with celebrations, they grabbed the ball and ran it all the way back to the centre for the restart. As The Ponds kicked off the ball was quickly stolen by the Wolverines who wasted none of their precious remaining minutes in taking the ball deep into enemy territory. Once again Bailey found himself with the ball just outside of the box, with little time left to waste he launched the ball towards its't target. Time stood still as the ball defied the laws of physics and curled around the keeper and into the net. The watching Wolverinoes went wild, the Wolverines were back in the game with their second goal in less than 90 seconds of play.

With the ball back in the centre for the restart, it was clear now that the Wolverines were not letting their title go without a fight. It was also clear to The Ponds that they had messed with a Wolverine and were about to get the claws, as they resorted to petty time wasting tactics that saw them receive two yellow cards for their efforts.

As the clock ticked down the Wolverines dominated play, moving the ball into their attacking half more times than they had all game. The boys did their best to look for the goal that would equalise the game and send them into sudden death extra time. Reprieve almost came when Chris Wicks was taken down inside the box, but was sadly not rewarded with a potentially game saving direct penalty.

The crowd grew restless and the boys charged one, flooding the goal box after every throw in, corner and free kick, hunting furiously for that third goal. But alas, it did not come. The final whistle blew signalling the end of the game and our title defence.

It was one of the most spirited fight backs in the Wolverines history. The boys showed just how strong a team they are to come back from certain defeat to almost clench victory.

Their title may have been taken, but the boys made sure that it wasn't given without a fight.

With this loss the Wolverines season comes to an end for 2019. A big thanks to all the boys for playing so hard and committing to the team.

Also a big thanks to Matt Robinson for returning to Wyndham no longer a player, but as a coach. And to all the former Wolverines who attended the game, its great to see just how far The Wyndham Sports Academy loyalty extends.

Once a Wolverine. Always a Wolverine.

WYNDHAM SPORTS ACADEMY PHOTOSHOOT

On Thursday of week 6, 8 of our star Wolverines from the Wyndham Sports Academy braved the cold to showcase some of the sports that we offer at Wyndham. The students posed in their unique playing kits, whilst they experienced the lifestyle of a professional model as resident photographer Daniel Repeti captured their best side. These photos will be used to promote sport at Wyndham in the future.

A big thanks to our models:

- Emily Joel - Netball
- Daniel Allport – AFL
- Alana Stephan – Girls Football
- Lleyton Coleman – Boys Football
- Chris Wicks – Futsal
- Justice Tipoki-Russell – Girls Rugby League
- Kaleb Farr – Boys Rugby League
- Rawnsley Ramos – Basketball

See the final photos below edited by Daniel Repeti and Justice Tipoki-Russell (year 12)

UPDATED YEAR 12 2019 FORMAL

Dear Parent / Caregiver

We invite all Year 12 students to join us together to celebrate the conclusion of their HSC.

The Year 12 2019 formal will be held at:

**Rosehill Gardens Racecourse
Grand Pavilion Level 2 South A
James Ruse Drive Rosehill 2142
Ph-02 9760 6200**

.....

The formal will be held on Friday **15th November 2019 commencing at 5-30 pm and finishing at 10-30pm SHARP**. The total cost of the formal will be **\$130.00**.

PLEASE NOTE: **Transport to and from the venue is the student's responsibility.**
This is an alcohol free event. Random breath testing may occur.

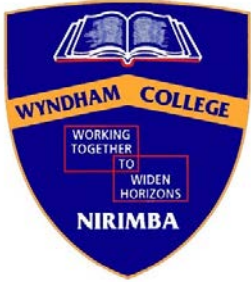

You are welcome to pay for the formal in stages with a deposit (minimum of \$40) and the final payment must be made by **Wednesday 3rd July 2019 (Term 2 Week 10)**

As this is an optional event, all **MANDATORY course fees** must be paid in full, before payment for the Formal will be accepted.

A professional photographer will be available on the night of the formal. They will take photos of the guests at the tables and on the dance floor. These photos will then be available free of charge online within the week. Additionally, there will be a studio photo booth available for the students to access on the night. This will print their photos immediately at no extra charge. Dietary needs will be catered for.

Due to the nature of the large cohort involved and security issues, this formal is **only for Year 12 2019 Wyndham students**.

Kind Regards
Daljith Bansal, Nitha Sewlall, Jason Ewing-Jarvie
Year Advisors

The e-P & C MODEL (FOW)

Wyndham College has been operating as an eP&C (FOW) for all of 2018 and will continue with this model in 2019. This model is designed to both consult and inform as many parents and the school community as possible.

The Senior Executive will email issues as they arise to seek parent advice. Replies are to the email lists of parents who are financial members of the e-P&C. Parents on the e-P&C list are not obliged to respond to every issue.

Meeting schedule

Two parent meetings will be held in a year

Term 1 Welcome reception and AGM – 26 February 2019

Term 4 Parent Forum – HSC Assessment/Information evening - TBA

The e-P&C (FOW)

eP&C will be advertised each year to parents via email and newsletters.

Following the Welcome Event and AGM, the membership list will be compiled and the group formulated by the college computer coordinator. A welcome message will be sent.

At the AGM volunteers are then called for, to take the roles of President, Vice President and Treasurer. A \$2 annual membership fee exists to enable financial members to vote on issues.

Issues for consultation

Sometimes issues arise throughout the year, extra meetings maybe necessary to address these issues. However at least once a year the e-P&C will need to review income they generate and allocate this progressively to the designated school projects that are established this will probably occur at the term 4 Parent Forum. E-P&C will also provide parents for interview panels, and community representatives on projects the College are involved in.

Join the e-P&C

Parents are invited to join the e-P&C. This is a group email of e-P&C parents by which the Senior Executive can seek parent advice on issues that require input from our school community. These issues will periodically be emailed to you with no obligation to respond.

If you are interested in representing parents in this way please provide your email address to the principal at Wyndhamcol-h.school@det.nsw.edu.au or by sending her this form.
