

Quick Reference Guide

How to log onto the new Secured Internet Edge service in schools with **SCHOOL-OWNED WINDOWS DEVICES**

Description

The Department of Education is introducing a new internet service at schools. It's an initiative to meet future demands by increasing internet speed and helping to protect schools from cyber threats.

If everything works as expected, no additional action is required from you to access the internet, however, please be aware of the process below in accessing the internet:

DESCRIPTION	SCREENSHO	T CLARIFICATION	
Your device will execute a single sign-on process to enable your internet access.			
(Optional) If you want to verify whether or not your internet connection is successful, launch a web browser and go to detnsw.net		SW D NSW D NSW D NSW D NSW D NSW DoE Secure Internet at Edge	
(Optional) If your internet connection is successful , you will be presented with "Authorised landing page".	←)	P - c market a × De INTERNET AT EDGE been authorised to use DoE Internet at Edge access	
Click on CLICK HERE to start browsing the internet. Click MY DETAILS to check if your name was correctly identified If you click LOGOUT , your internet connection will be temporarily disabled. To resume your internet access, logoff/logon or lock/unlock your device.
