CONCERNING DRIVING / PASSENGER PRIVILEGES

Dear Parents / Caregivers

Wyndham College has provided students the opportunity of driving or being driven to College to and from the Nirimba Education Precinct.

Students are not permitted to drive or carry passengers unless the appropriate school forms have been completed. These forms also state specific rules about the use of the Wyndham / St John Paul II Staff and Visitor Car parks. These rules are to:

- Drive responsibly and carefully when entering and leaving the Nirimba Education Precinct
- Park in the lower section of the Wyndham College / St John Paul II Staff visitor car park
- Not loiter in the car park before, during and after school hours
- To use car parking zones in the correct manner

Students are reminded that driving to and from school, plus being allowed to use the Wyndham College / St John Paul II Staff / Visitor Car park is a privilege. Students who do not adhere to their driving / passenger commitment will lose this privilege. Students are also reminded that the Precinct Security has the authority to fine drivers for the following breaches. Parking on the road / access lane, standing zones, on grass and driving contrary to the regulations.

With increasing enrolments between Wyndham College and St John Paul II and subsequently increasing numbers of students seeking driving privileges there will be a need in the future for the students to use the car park near the ovals. This car park had been allocated for the students in the original planning of the Precinct. Note, that the car park at the end of "E" Block (opposite the pool) is staff parking only. Wyndham College students do not have permission use car park adjacent to the precinct Memorial Rose Garden.

Yours sincerely

Kellie Boyd
Deputy Principal

DRIVING / PASSENGER PRIVILEGES

Please return the acknowledgement to the Front Office
